When a Modern Bistro Restaurant Meets the Classic Mediterranean Cuisine

The story of the Medita restaurant begins at the cooperation between the Chef Moti Ochana and Moshe Cohen (also the owners of the beloved [Hachatzar](#) restaurant). Ochana who graduated the culinary institution of 'Le Cordon Bleu' is an expert in combining the qualities of the French culinary with the Israeli colorful Mediterranean scene.

The restaurant is designed with decorative and luxurious elements alongside classical Mediterranean features, such as the Taboon oven and the open kitchen. The restaurant is blending perfectly in the urban scene of Jerusalem. The Medita was designed by Gilaad Zaafrani – one of Israel's most talented architecture & interior restaurant designers. As soon as you enter the restaurant, you will feel his warm and elegant composition.
