The Netzach Legacy Society

The Netzach Legacy Society recognizes donors who intend to include the Pardes Institute of Jewish Studies in their estate plans through a planned gift. Planned gifts include bequests, charitable gift annuities, charitable remainder trusts, and property interests.

The word *netzach* means *eternity* in Hebrew. Through their planned gift to Pardes, members of The Netzach Legacy Society help ensure the eternity of the Jewish people by supporting the work of Pardes Institute of Jewish Studies. Providing Pardes with specific information regarding the purpose of a bequest or planned gift allows Pardes to ensure that your philanthropic intentions can be carried out. In addition, this information greatly helps Pardes in planning for the future.

If you have provided for Pardes in your estate plan but have not yet informed us, please consider doing so. We would be honored to enroll you in The Netzach Legacy Society and include your name in publications honoring members. Membership involves no dues or obligations.
